

12:45 PM – 2 PM: Lunch

Session 4: Use and Misuse of Media in Cancer Control Efforts

2 – 3:15PM

The session will discuss the promise and perils of a media in a free society. How can we ensure that our media, both print and electronic media, and the new age social media, will provide facts and not myths to our people.

Session 5: AKMG-AMPOK Special Session

3:15 – 5 PM

Research in Kerala: Challenges and Opportunities

The session will discuss the current state of cancer research in Kerala. How can we improve our research environment? How can we translate the best practices overseas to Kerala?

Session 6: Survivors' and patient advocates' meet

5-5:45 PM

Session 7: Cancer philanthropy

5:45- 6:30 PM

These sessions will bring together survivors, philanthropists, and patient advocates and aim to identify novel ways to improve cancer care in India.

7-9:30 PM: Banquet with cultural program

Sunday

Session 1: Grand Challenges in Cancer Care

9-11AM

The session will discuss novel ideas and concepts that seem 'grand' in nature. What can we do now that we will be proud of twenty years from now? Data sharing, state-wide cancer registry, notification of cancers, prospective cohorts and precision medicine strategies.

Session 2: Closing ceremony

The session will conclude the conclave and announce action plans for two years.
